Embassy Officials Visit British Office Today As Rumor Grows

TO INCREASE NAVY

League and Mussolini Remaining Adamant

LONDON, Sept. 27.—American embassy officials paid a hurried and mysterious visit to the British foreign office today in the wake of published reports Britain is about to inform Washington of denunciation of the Washington naval treaty and announce plans for a drastic increase in the British navy.

Ray Atherton, counselor of the embassy, and Capt. Walter S. Anderson, naval attaché, were the American visitors. Neither the foreign office nor the American embassy was willing to discuss the visit, although the purpose was understood to be to review pending naval questions.

Denies Sending Note

Whitehall denied any note had yet been sent to the United States regarding naval treaties, while American circles expressed belief the British government had not yet reached a decision to denounce the already dying Washington pact.

In British naval circles, however, it was felt the decision had been made.

Crisis Stands Still As Principals Watch

By International News Service

The Ethiopian crisis entered a stage of tense watchful waiting today as the League of Nations and Premier Benito Mussolini each looked to the other for some definite move. Meanwhile each proceeded slowly, and nothing by determined plans—the League to draft a report leading to sanctions against Italy if she wages war, and Mussolini to make his armies ready for war when the propitious moment arrives. Each hoped, however, the other would make a conciliatory gesture first. Leading developments were:

GENEVA.—League's committee of thirteen approved in principle Emperor Haile Selassie's request for a commission of neutral observers to watch over his borders, while Britain approved system of "progressive sanctions" to be applied against Italy should she wage war.

POPE CONCLUDES SOLEMN MEETING

CLEVELAND, Sept. 27.—World-wide peace—Peace to those who are near and peace to those who are far....

That was the message, from the lips of his holiness Pope Pius XI, that resounded in Cleveland today as followers of the Catholic faith, by the tens of thousands, returned to their homes throughout the nation after the close of the seventh national Eucharistic congress.

From thousands of miles away, at his summer residence in Castel Gandolfo, the pontiff sent his message of peace, and his liturgical benediction that formally closed the congress. And his remarks were received by the multitude of congress visitors in the midst of a ceremony perhaps more impressive and awe-inspiring than any other religious demonstration of modern times.

The Cleveland stadium was converted into a vast open-air cathedral as more than 125,000 worshippers knelt side by side during the papal broadcast, brought to them by radio and a loud speaker system.

President on Significant Journey to West Coast

ENROUTE WEST WITH PRESIDENT ROOSEVELT, Sept. 27.—President Roosevelt headed west today for a personal, first-hand glimpse of conditions that have resulted from two and a half years of application of the philosophies and policies of his administration.

However much the political aspect of his journey to the Pacific coast is depreciated, it really marks, in political minds, the opening gun in his campaign for re-election next year. He left Washington almost simultaneously with the Republican big-wigs who have

been meeting there all this week, conferring on ways and means of defeating him in 1936.

Officially, Mr. Roosevelt is simply going to the San Diego exposition in fulfillment of a long-time promise. But his itinerary has been arranged, and his speaking dates have been arranged, so as to give him opportunity for a cross-section view of the country, plus personal contacts, that cannot but have their political implications.

His itinerary carried him through Chillicothe about 10:30 a. m. Friday.

COL. JACKSON ON ARMY COURT GIVING RUDOLPH CLEAN SLATE

National Guard Men Find Veteran Army Man Did Not Embezzle Money

Col. Harry D. Jackson, commanding officer of the 112th medical regiment of the 37th division, Ohio National guard, was a member of a general army court which, Friday, acquitted Col. Hugo Rudolph, commanding officer of the war-time 147th infantry, of charges of embezzlement.

The trial was conducted in a dingy top-floor room of the Freedman's army in Cincinnati.

Other members of the court were Brigadier General Harold M. Bush of Cleveland, presiding judge; Brigadier Ludwig Connelly, Cleveland; Colonel Donald Pancoast, Cleveland, and Lieutenant Roy E. Leighton, Wapakoneta.

Brought By Hicks

The charges were brought against Col. Rudolph by Major W. Morse Hicks, medical officer, who is awaiting the verdict of a general court-martial on charges of desecration brought against him by Col. Rudolph.

Col. Rudolph was specifically charged with having used funds of the Citizens' Finance committee, which has been raised by public subscription for the benefit of the organization, for his personal use. Major Hicks charged that Rudolph had repair work done on his personal car and that he had purchased a radio and had purchased farm equipment.

Negotiating committees for the miners and the operators reached an agreement early today. Ironically, the new contract will carry the nine-cents-a-ton increase for piece-work miners, the amount demanded by the United Mine Workers. Disagreement over this single item was responsible for the strike which started Monday morning.

Strike Damaging To Rail Business

The soft coal strike, now in effect but scheduled to end Tuesday Oct. 1, caused a 90 percent decrease in shipments over the N & W. railroad through Circleville employees announced this morning.

Col. Rudolph, whose infantry became famous in the World War, was defended by Lieutenant Forrest Ely of Batavia, former Clermont-co prosecutor, assisted by Lieutenant Warren G. Windom of Columbus. Representing the Judge Advocate were Lieutenant Colonel Chalmers Parker of Columbus, and Captain E. A. Silbaugh of Lancaster.

Testimony 7 Hours

Testimony in the court-martial required seven hours while it took the court only 10 minutes to make its decision.

Major Hicks' hearing was conducted several weeks ago but no decision has yet been announced.

The slump in the line's business caused by strike, resulted in no layoffs, but some employees were discharged until the strike is ended in terminals of the line.

Ordinarily from 25 to 30 trains pass through the city in a 24-hour period, they said. This number includes both loaded and empty trains. During the last few days from two to three trains have been in operation over the line.

COAL STRIKE ENDS OCT. 1

Mining Towns of 20 States Happy as Wage Dispute is Settled

WASHINGTON, Sept. 27—Settlement of the wage dispute in the soft coal industry caused general rejoicing today in the mining towns of some 20 states.

The big strike of the 400,000 union bituminous coal miners will formally end Tuesday, October 1, when their new working contract with the operators becomes effective. Their last contract expired in February and was extended five times on the request of President Roosevelt until it finally expired Sunday midnight and prevented the miners from returning to work.

Negotiating committees for the miners and the operators reached an agreement early today.

Ironically, the new contract will carry the nine-cents-a-ton increase for piece-work miners, the amount demanded by the United Mine Workers. Disagreement over this single item was responsible for the strike which started Monday morning.

PICKAWAY P. T. A. HAS FIRST FALL MEETING

Thursday evening the Pickaway-twp Parent-Teachers' association held its first meeting for the current year in the school auditorium. The session opened with the group song "Our P. T. A." and devotions led by Mrs. B. W. Young.

Mrs. Ralph Head, who was re-elected to the presidency last spring presided at the business meeting and appointed the committees for the year. The committee chairmen follow:

Program, Mrs. B. W. Young; finance, R. D. Head; refreshments, Mrs. Fairy Alkire; publicity, Miss Mildred Wertman; membership, Miss Kathleen Dilksaver; prize, Miss Mary Radcliffe; hospitality, Mrs. Orrin Dreisbach;elfare, M. C. Warren, and magazine, Mrs. Samuel McKenzie.

The report by Mrs. Carl Porter, who was in charge of the "summer roundup" indicated that some eye and dental corrections had been made during the summer.

The annual membership drive, which the various rooms of the elementary school compete, will begin Monday, Sept. 30, and end Friday, Nov. 1. A prize will then be given to the room having the highest percentage of parents who are members of the association.

The following program was then presented: two poems written by dear A. Guest, Dorothy Alkire; vocal duet, Kathryn Temple and Seymour Boggs; trumpet solo, Philip Wilson; quartette by our Wilson brothers, Paul, Wayne, Ed and Philip.

During the social hour refreshments were served under the chairmanship of Mrs. Fairy Alkire. The next meeting will be held Friday, Nov. 8, as a climax to the membership drive.

**OUT LEADERS MEET
WITH MRS. ROBINSON**

The Girl Scout Leaders' association met at the home of Mrs. W. Robinson, S. Pickaway-st, Thursday evening, at which time plans were discussed for the pumpkin show and for the organization of the troops.

Refreshments were served by the hostess at the conclusion of the meeting.

The next session will be a dinner meeting Thursday, Oct. 10, at 6:30 o'clock at the American Hotel office shop at which time officers will be elected.

Ladies' Aid Meets At Leist Home

Mrs. Fred Leist of Washington-twp extended the hospitality of her home Thursday afternoon to members of the Ladies' Aid of St. Paul's Evangelical church for their monthly session.

Fifteen members and six visitors gathered for the meeting. Mrs. M. A. Leist, president, opened the session with a devotional service and conducted the business.

The program, which followed, consisted of readings by Mrs. Merle Bowman, Mrs. Viola Glick, Mrs. Lawrence Warner and Mrs. Pearl Delong; recitation by Lowell Delong; stunt conducted by Mrs. Mark Delong and a contest in charge of Mrs. M. A. Leist.

Refreshments were served at the close of the afternoon by the hostess.

The October meeting will be held at the home of Mrs. Merle Bowman in Washington-twp.

The next meeting of the club will be held Oct. 10 at the Wardell party home.

Club Dinner Enjoyed at Wardell Party Home

The party home of Mrs. Ed Wardell on the Williamsport-pk was the scene of a delightful party Thursday evening, when members of one of the city's bridge clubs gathered for a dinner and bridge.

Covers for the dinner at 6:30 o'clock were laid for Mrs. Carl Bennett, Mrs. J. Wallace Crist, Mrs. Henry Mader, Mrs. Ella Hornbeck, Mrs. R. L. Brehmer, Mrs. Hervey Sweyer, Miss Katherine Wefer, Mrs. I. N. Abernethy, Mrs. A. H. Rogers, Mrs. C. C. Watts, Mrs. T. O. Gilliland, and Mrs. William Mack.

Following the dinner, bridge was enjoyed at the home of Mrs. Mader and Mrs. Hornbeck on Pinckney-st. Prizes for top scores were awarded Mrs. Mack and Mrs. Gilliland.

In two weeks Mrs. Bennett will be hostess to the club at her home on N. Court-st.

Williamsport Girl To Marry Oct. 5

Mr. and Mrs. B. C. Carpenter of near Williamsport are announcing the engagement and approaching marriage of their daughter, Miss Louise Carpenter, to Mr. Paul W. Holtzman, son of Mr. and Mrs. M. W. Holtzman of Jackson-town.

The marriage will be Saturday, Oct. 5.

GLAZE-WRIGHTSEL NUPTIALS READ

Of interest here is the marriage of Miss Pauline Glaze, daughter of Mrs. Jesse Glaze near Washington C. H. and Mr. Alvin E. Wrightsel of Monroe-twip.

The ceremony was read by Rev. J. A. Goddard of the Church of Christ Thursday morning at 10 o'clock.

Miss Audrey Wrightsel, sister of the bridegroom and Mr. Ben Angles of Grange Hall were the attendants.

Both Mr. and Mrs. Wrightsel have been employed in Detroit the past year but after Oct. 1 will reside at the country home of the bride. Mr. Wrightsel will engage in farming and stock raising.

Two tables of cards were in play and prizes went to Mrs. Edna Moon and Mrs. Andrew Roundhouse. A salad course was served after the game.

Mrs. William Betts, E. Union-st, will be hostess to the club next week.

PERSONALS

Mrs. Martha Rowe Nuls is expected to arrive the middle of October from Kimmell, Ind., to make her home with her nephew, Ra-jah Long and Mrs. Long, E. Franklin-st. Mrs. Nuls formerly resided in this city.

Mrs. Robert Garhart, N. Court-st, left Friday for ten days' visit with her son-in-law and daughter, Mr. and Mrs. Harry Stoker of Columbus.

Ed Ebert, Mrs. Tom Lake, Mrs. Gladys Wiggins, Mrs. Mildred Karshner, Miss Katherine Mead and Mrs. N. E. Rechelderfer returned Thursday from St. Louis, Mo. where they attended the national convention of the American Legion.

Mr. and Mrs. B. H. Wilson who have been visiting Mr. and Mrs. G. L. Schiear, N. Scioto-st, left Friday for Dayton, their former home, and will leave Monday for Ft. Lauderdale, Fla., to spend the winter.

Robert Bentley has returned to his home in Indianapolis, Ind., after spending the past week with his nephew and niece, Mr. and Mrs. O. P. Bentley, E. High-st.

Miss Myrtle Reid of Circleville-twp left Friday morning for East Liverpool, where she will spend several days visiting with her brother, A. E. Reid, who is supervisor of Manual Arts in the East Liverpool high school.

Senator Borah, to put it mildly, is receptive. Though past 70, he has young ideas.

Pickaway P. T. A. Has First Fall Meeting

Thursday evening the Pickaway-twp Parent-Teachers' association held its first meeting for the current year in the school auditorium. The session opened with the group song "Our P. T. A." and devotions led by Mrs. B. W. Young.

Mrs. Ralph Head, who was re-elected to the presidency last spring presided at the business meeting and appointed the committees for the year. The committee chairmen follow:

Program, Mrs. B. W. Young; finance, R. D. Head; refreshments, Mrs. Fairy Alkire; publicity, Miss Mildred Wertman; membership, Miss Kathleen Dilasver; prize, Miss Mary Radcliffe; hospitality, Mrs. Orrin Dreisbach; welfare, M. C. Warren, and magazine, Mrs. Samuel McKenzie.

The report by Mrs. Carl Porter, who was in charge of the "summer roundup" indicated that some eye and dental corrections had been made during the summer.

The annual membership drive, in which the various rooms of the elementary school compete, will begin Monday, Sept. 30, and end Friday, Nov. 1. A prize will then be given to the room having the highest percentage of parents who are members of the association.

The following program was then presented: two poems written by Edgar A. Guest, Dorothy Alkire; vocal duet, Kathryn Temple and Rosemary Boggs; trumpet solo, Philip Wilson; quartette by the four Wilson brothers, Paul, Wayne, Wells and Phillip.

During the social hour refreshments were served under the chairmanship of Mrs. Fairy Alkire. The next meeting will be held Friday, Nov. 8, as a climax to the membership drive.

SCOUT LEADERS MEET WITH MRS. ROBINSON

The Girl Scout Leaders' association met at the home of Mrs. W. W. Robinson, S. Pickaway-st., Thursday evening, at which time plans were discussed for the Pumpkin show and for the organization of the troops.

Refreshments were served by the hostess at the conclusion of the meeting.

The next session will be a dinner meeting Thursday, Oct. 10, at 6:30 o'clock at the American Hotel Coffee shop at which time officers will be elected.

"I've discovered Calumet's big, new 10¢ can!"

"No more 'by-guess-and-by-golly' baking in this house now!"

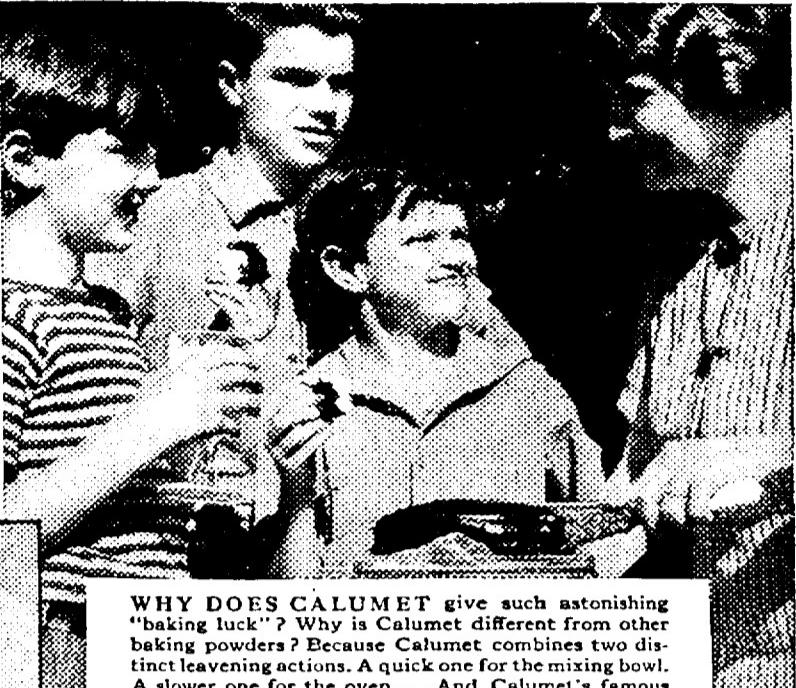

says Mrs. Owen H. Fleming, 1235 Judson Ave., Evanston, Ill.

Mrs. Fleming was one of the first women to get the big, new 10¢ can of Calumet, the Double-Acting Baking Powder.

"No need for any woman to take chances with her baking now," she says. "That new 10¢ can of Calumet certainly means that the very best can be bought at a bargain."

Ask your grocer to show you the new, bigger 10¢ Calumet can!

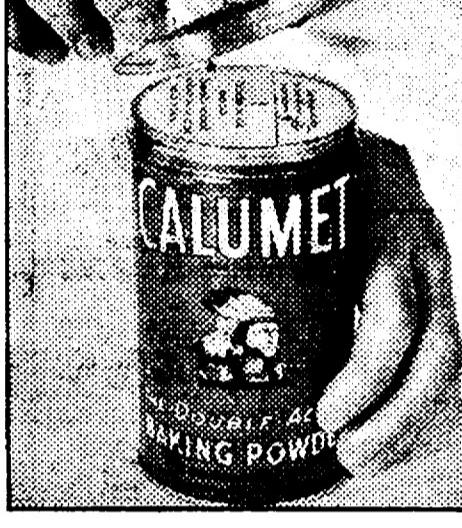

A SIMPLE TWIST... and the Easy-Off top lifts off. No spilling, no broken finger-nails!

WHY DOES CALUMET give such astonishing "baking luck"? Why is Calumet different from other baking powders? Because Calumet combines two distinct leavening actions. A quick one for the mixing bowl. A slower one for the oven... And Calumet's famous double action is so perfectly balanced and controlled that it produces perfect leavening—every time.

All Calumet prices are lower!

Calumet is now selling at the lowest prices in its history. The Full-Pound Can now sells regularly for only 25¢. And if you want a smaller size—get the big, new 10¢ can—a lot of good baking for a dime—with Calumet, the Double-Acting Baking Powder.

Secrets of Cake Baking Lie In Careful Measurements, Following Directions

Weekly Letter Gives Much Information For Young Housekeepers and New Recipes as Well

Dear Friends in Circleville: Come to me during the Cooking School concern cake making. "What makes a cake fail?" "Why is the texture coarse?" "How shall I ice a sponge cake?"—and many other questions.

There are so many factors which influence the quality of a cake that it is difficult to answer these questions briefly and give satisfaction in the answer. A good range with a regulated oven; quality ingredients; careful measurements and the use of standard measuring utensils; the absolute following of a recipe; and of course the use of a tested standardized recipe all help to make a cake successful. Here are the points in outline:

FOLLOW THESE POINTS

First read the recipe carefully from beginning to end.

Collect all ingredients, tools, pans and equipment before beginning.

Use level measurements.

Grease cake pans before mixing the batter.

Always sift flour once before measuring; then sift the baking powder, if the recipe says so.

Light oven; so that the heat will make the required temperature.

Beat batter from one to three minutes, then pour into pan; never let cake batter stand around in the kitchen.

Put cake into the oven at required temperature. When the cake is done it will spring back when pressed lightly with the finger, and it shrinks from the sides of the pan.

Use cake rack for cooling.

Frost the cake as soon as it is cool.

DELICIOUS BLACK CAKE

This is a devil's food cake which is unusually good. Use marshmallow frosting between

layers and a thick, black chocolate frosting on top.

One third cup shortening; one cup sugar; two eggs; two-thirds cup milk; three squares unsweetened chocolate; one and one half cups flour; one and one half teaspoons baking powder; one teaspoon salt; one and one half teaspoons vanilla.

Blend the shortening and sugar then beat in the eggs. Cook the milk and the chocolate (which has been shaved or grated) in the upper part of the double boiler stirring until thick. Mix and sift the flour, baking powder and salt, and add alternately with the chocolate mixture to the first mixture. Add vanilla and beat well. Bake in two layers, moderate oven, 350 degrees F., for twenty-five to thirty minutes. Let cool. Then frost.

BREAD CRUMB CAKE

Three egg yolks; one cup sugar; three tablespoons cold water; three fourths cup walnuts cut in small pieces; one cup soft bread crumbs; two teaspoons baking powder; one tablespoon melted shortening; one teaspoon vanilla.

Beat the egg yolks until thick and lemon colored. Add sugar and water; add the nuts, bread crumbs, baking powder and shortening and mix well. Add vanilla and fold in the stiffly beaten egg whites. Bake in two layer cake pans in a hot oven, 400 degrees F., fifteen to twenty minutes. When cool spread with a layer of jelly between layers and on top; or jelly beaten into whipped cream.

COFFEE FRUIT CAKE

One cup shortening; two cups brown sugar; four eggs; one cup strong, freshly made coffee; one teaspoon soda; one cup molasses; four cups flour; four teaspoons baking powder; one teaspoon salt; one teaspoon ground clove; one teaspoon grated nutmeg; two teaspoons cinnamon; one pound currants; one pound seedless raisins.

Blend the shortening and sugar together. Add eggs, one at a time and beat thoroughly. Stir in the coffee. Add the soda mixed with the molasses. Mix and sift the flour; salt and spices. Add enough of the flour mixture to the fruit to keep it from sticking together. Then add the remainder to the first mixture. Add fruit and mix thoroughly. Line the bottom of a large pan with several layers of greased, waxed paper and grease the sides of the pan. Pour in the cake batter and bake in a very slow oven, 250 degrees F., two to three hours. A small pan of water in the oven helps to keep the cake from burning on the bottom during this long cooking. I use a mocha flavored icing on this cake.

YELLOW PEACH CAKE

Two and one fourth cups flour; eight egg yolks; three fourths cup shortening; one and one half cups sugar; two and one fourth teaspoons baking powder; three fourths cup cold water; one teaspoon almond extract.

Blend shortening and sugar, and cream well. Beat egg yolks thoroughly and add. Add sifted dry ingredients and water alternately. Add flavoring. Bake in two layers in a moderate oven, 350 degrees F., for forty minutes.

PEACH MERINGUE FILLING

Four egg whites; two large peaches; three fourths cup powdered sugar.

Beat the egg whites until they peak and add the sugar gradually. Spread the meringue over the bottom layer, cover with peaches sliced thin, then cover the peaches with meringue, place second layer of cake on this, and cover it in same manner, except to mark the top in squares and place peaches in squares. Cover sides of cake with meringue, put in oven at 350 degrees F. to brown, cool and serve. When canned peaches are used cut and drain before serving.

Mrs. George Thorne

New Cabbage and Pineapple Salad

One package of lemon-flavored gelatine; one pint warm water; one cup shredded cabbage; one half teaspoon salt; four teaspoons vinegar; one cup diced canned pineapple; four stuffed olives, sliced.

Dissolve gelatine in warm water. Chill until slightly thickened. Combine cabbage, salt, and vinegar; fold at once into slightly thickened gelatine. Fold in pineapple and olives. Turn into individual molds. Chill until firm. Unmold on crisp escarole. Garnish with mayonnaise. Serves six.

Elmer Hicks has returned from a two weeks' visit with his parents in Kentucky.

Mrs. Oscar Hicks recently attended a religious meeting at Morrow, Ohio. These meetings are held

annually. Between six and seven hundred attended this year for a week.

Grover Lance has gone to Kentucky, for a vacation.

A birthday dinner was held Sunday at the home of Sherman Hicks near Derby with forty-one present.

Glendon Tuples has returned from Coeur d'Alene, Idaho where he has been with the CCC.

A double funeral of Mr. and Mrs. Makely was held at this

"I've discovered Calumet's big, new 10¢ can!"

"No more 'by-guess-and-by-golly' baking in this house now!"

says Mrs. Owen H. Fleming, 1235 Judson Ave., Evanston, Ill.

Mrs. Fleming was one of the first women to get the big, new 10¢ can of Calumet, the Double-Acting Baking Powder.

"No need for any woman to take chances with her baking now," she says. "That new 10¢ can of Calumet certainly means that the very best can be bought at a bargain."

Ask your grocer to show you the new, bigger 10¢ Calumet can!

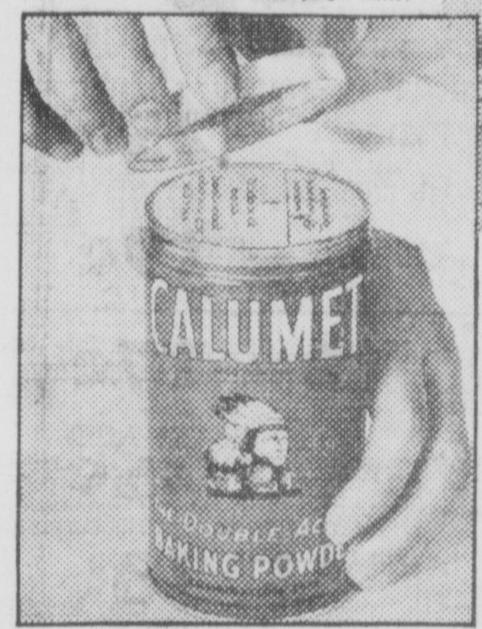

A SIMPLE TWIST . . . and the Easy-Off top lifts off. No spilling, no broken finger-nails!

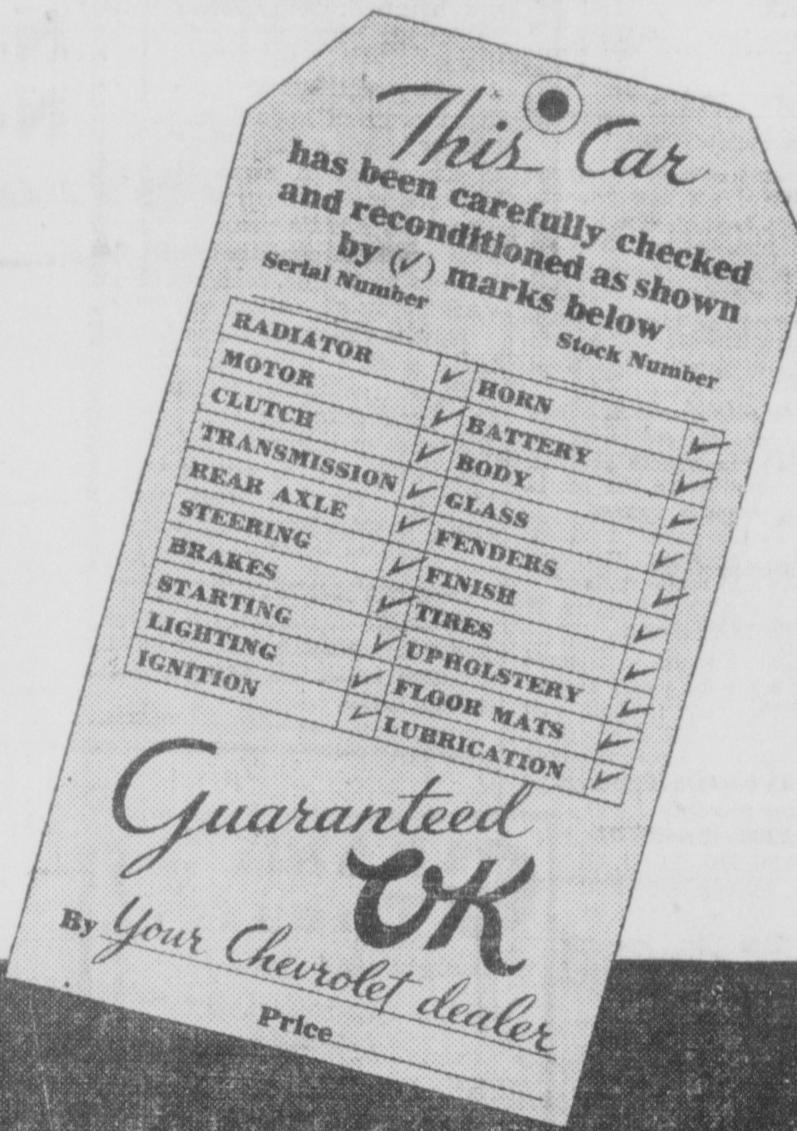

WHY DOES CALUMET give such astonishing "baking luck"? Why is Calumet different from other baking powders? Because Calumet combines two distinct leavening actions. A quick one for the mixing bowl. A slower one for the oven... And Calumet's famous double action is so perfectly balanced and controlled that it produces perfect leavening—every time.

All Calumet prices are lower!

Calumet is now selling at the lowest prices in its history. The Full-Pound Can now sells regularly for only 25¢. And if you want a smaller size—get the big, new 10¢ can—a lot of good baking for a dime—with Calumet, the Double-Acting Baking Powder.

SCARCITY OF KINGFISHES

HUEY LONG might well have said with Louis XV: "After me the deluge." For among the Louisiana followers of the "every man a king" philosophy it is only too evident that every man is not a Kingfish. Already there is squabbling among the leaders of different factions, but the stake in the share-the-wealth program is too big to be abandoned. It can therefore be expected that the leaders will pile aboard the band wagon whenever that vehicle presents a high degree of visibility.

The preacher of Long's funeral oration, Rev. Gerald L. K. Smith, thinks he has caught up the mantle of the assassinated senator. In advance of any conference to pick a ticket he has bought out candidates for Long's seat and for a successor to the aptly initialed Governor O. K. Allen. Mr. Smith is a rabble rouser of sorts, and from Washington, as the secretary of the prospective new senator, he would, it is assumed, direct the unremitting propaganda Long carried on.

This is easier said than done. The movement, such as it was with its appeal to the gullible, focused upon the personality, even the tones of voice, of Huey. It was the picturesqueness of Huey in the senate, his audacity in challenging President Roosevelt, his inviting the contumely and actual hatred of his Democratic associates (sic) in the senate that endeared him to a lot of people who should have known better. The arguments sent broadcast under government frank and even the silver voice of the greatest pulpit of all the parishes are no substitute for the "qualities" Long displayed.

END OF A FANTASY

THE overseas railway is likely to be no more. The receivers and the courts will hardly decide to spend \$3,000,000 in rebuilding this wild and picturesque dream of the late Henry M. Flagler. Having developed the Florida east coast and its hotels and built the railway to Miami, Mr. Flagler in his last days evolved the picturesque scheme of a railway jumping from key to key and running American freight cars over the Cuban railroads via a ferry between Key West and Havana. It was carried through at enormous cost and American freight cars do roll on the Cuban rails.

Modern conditions have made the idea impractical. It is cheaper to ship direct by steamer to American ports. Passengers prefer the deep-draft vessels operating overnight between Miami and Havana, or the seaplanes that cross in a few hours. Successive Cuban revolutions have diminished the tourist trade. Last year only two passenger trains a week made the round-trip down the keys. Freight trains ran but seldom and many of the cars were tanks full of water to bring the locomotives back to the mainland, where the first ground water was available.

The overseas extension was a picturesque dream that didn't work. The best thing that can happen to it is that the government take over the road bed for the motor highway to Key West instead of spending millions in building the parallel road on which the veterans were engaged when the hurricane struck them.

Persons who mourn the end of summer may get some consolation out of the fact the World series is still three weeks off.

Dinner Stories

GRAB BAG

HARD TO UNDERSTAND

The evening paper announced that Congressman C— was "paired with Congressman J—, Democrat."

The following day one of Congressman C—'s constituents wrote him a letter.

"It's all right for you, a Republican, to have friends among the Democrats, Joe," he wrote, "but it would look a lot better to us folks back home who voted for you if you were paired with some other Republican."

THEATRES

AT THE CLIFTONA

There was a time when Hollywood was thronged with so called cowboy stars. Tom Mix, Fred Burns, Art Acord, Vester Peg, Bee-Ho Grey and others who had made records in rodeo and range life.

Buck Jones, who appears in Columbia's "The Deadline," which will be seen at the Cliftona today and tomorrow, is one of the few stars of silent days who could stand the gaff of increasing demands for histrionic ability. He is today the dean of cowboy stars and is perhaps the best actor of all of them, as he has studied hard and progressed rapidly up the ladder of sound stardom. And on the same program the Cliftona presents an automobile racing thriller.

AT THE GRAND

When James Dunn and Mae Clarke came to the Fox Film studios every morning to play in "The Daring Young Man," now showing at the Grand Theatre, they always stopped to look at the famous bronze bell which tolled the outbreak of the Russian Revolution in Petrograd, in 1917. The bell is now a landmark at the Fox Film Movietone City studios.

AT THE CIRCLE

Four tuneful new song hits are featured in "Transatlantic Merry-Go-Round," Reliance's all-star comedy drama with melody, mystery and romance, showing now at the Circle Theatre, with Jack Benny, Nancy Carroll and Gene Raymond heading a cast which includes Sydney Howard, who is known as England's Chaplin, Mitzi Green, in her first grownup role, Sid Silvers, Frank Parker, The Bowell Sisters, Sidney Blackmer, Ralph Morgan, Shirley Grey, Sam Hardy, Patsy Kelley, William Boyd, Jean Sargent and Jimmie Grier and his orchestra.

The Romance Racket

BY MARIE BLIZARD

READ THIS FIRST:

Fun, parties, pretty clothes and beauty are things unmentionable. Carol Kennedy had never desired until she looked into the eyes of Dr. Gavin Craig, fiance of her cousin, Kathy Prentice. Kathy is marrying out for his social prestige only. When Carol comes into a vast fortune, she suddenly decides to give up her old home in Connecticut, where she had lived as an orphan, and seek freedom and happiness in New York City. Isabel Bronson, an old school chum, takes Carol to her first cocktail party, where she meets Gary Crandall, attractive playboy who claims he will help her find a job and, knowing nothing of her wealth, show her how to become a fascinating woman. He promises to take her to a beauty shop. Isabel helps Carol buy more clothes and tells her that her cousin, Kathy, is not in love with Dr. Craig, being more interested in Gary Crandall. Carol runs into Gavin and, when he takes her to lunch, they stumble onto Kathy and Gary together. Carol comes to her cousin's rescue but the lunch date is not a success. Gary takes her to the beauty shop. Carol envies an attractive girl and in a sudden emotion of happiness leans on Gary's shoulder and weeps.

(NOW GO ON WITH THE STORY)

CHAPTER 11

CAROL KENNEDY'S wealth was nothing for her to get excited about. She had had it all her life. Until she was 21 years old, she had not the slightest idea what her income was, how large or how small. The expenditure of monies to keep the old-fashioned house in Connecticut running with its small staff of old servants, to send her to college, to pay the bills for her invalid mother and the travels of the past four years was left entirely in the hands of her mother. That wealth could buy a kind of happiness she did not know. And so, when she learned that hers was a fortune well over \$2,000,000 she made no change in her mode of life and forgot it just as she always had.

But when she walked into the gaze of Gary Crandall and saw wonder that was almost awe in his face and heard him breathe the word "ravishing!", then she was stirred by this new possession—beauty—as she had never been stirred by wealth.

Her own eyes were not blind and when first she looked into the mirror and saw what miracles of transformation had been worked upon her, she knew that always the foundations of beauty had been there. They had not changed the contour of her face, the color of her eyes. They had—what was the word they had used?—"brought them out". They had brought glints of red-gold to the soft hair that had hung drab and lifeless on her small head before, hiding its delicate contours. Skillfully, they'd darkened and shaded the wing-like brows and shaded the long lashes so that their darkness deepened the gray of her eyes to violet. All seemed so simple and so incredibly marvelous!

She could use rouge and soft creams and powders, a lipstick and eyeshadow like other girls! That this knowledge should have been a surprise to her is incredible. But Carol's one joyful attempt to aid herself with artifice had been so awkward it had sickened her.

Now that she knew the experiment had been a success, that the tight little clutching at her chest had been the dread and hope that something like this would happen, she could not sustain it. And so she found herself crying as though her heart were breaking. It was not. And in that moment with her head on Gary Crandall's perfectly tailored shoulder a new thought that brought her joy and misery came to her. She thought of Owen Craig's shoulder and knew

she could not bear to leave him.

EDITORS OF OHIO'S DEMOCRATIC PAPERS INVITED TO MEETING

LONDON, Sept. 27—Lord Edward Montagu, adventurous second son of the Duke of Manchester, today received a one-way ticket for a nine-months' sojourn in prison.

The young lord, who has a strong strain of American blood through maternal ancestry and who shocked staid England by running a hot dog stand at Maidstone, popular resort town, was sentenced in Old Bailey following conviction on all counts in charges of theft and forgery of a banker's check for 17 pounds, seven-pence (about \$85.14).

G-MEN CAPTURE BREMER SUSPECT

DETROIT, Sept. 27—Cassius M. McDonald, 52, owner of an exclusive Grosse Pointe park home, today was held incommunicado under \$160,000 bond as a possible suspect in the Edward G. Bremer kidnaping.

The city directory gave his occupation as a civil engineer, but according to word from St. Paul, McDonald will be placed on trial there in November for allegedly cashing \$104,000 of the \$200,000 ransom money which the St. Paul banker paid for his release after he was "snatched" by the Alvin Karpis gang.

McDonald, county authorities said, was booked on a broad charge of violation of the U. S. code. They refused to discuss his case, but pointed to the high bond as an indication of the importance federal authorities attach to the prisoner.

According to reports here from St. Paul, McDonald allegedly was linked by G-men with Alvin Karpis, the latter Public Enemy No. 1 and alleged brains of the Bremer kidnaping. His co-defendants were said to be Harry Sawyer, William Weaver and Myrtle Eatong.

McDonald, the St. Paul dispatches said, at present is under liberty under \$10,000 bond set by police in Florida after he was purportedly suspected of harboring Karpis and Harry Campbell, a lieutenant of the Karpis gang.

SUSPECT GRILLED IN POLICY DEATH

CLEVELAND, Sept. 27—Alex (Shondor) Birns, Cleveland underworld leader, was taken to Akron early today by detectives for questioning in the murder of "Big Mike" Saviolas, Akron gambler and policy king.

Birns has been involved in several underworld shooting scrapes here and last year was seriously wounded in a gun battle at a local night club. He has been questioned several times in connection with underworld shootings here but never brought to trial.

TRAINMEN KILLED

WESTPORT, Conn., Sept. 27—Engineer John Sheehan was burned to death and Engineman William J. Hughes seriously injured when a fast eastbound New Haven railroad freight train crashed into the rear of another freight train on the drawbridge over the Saugatuck river late at 1:25 a. m. today.

Sheehan's engine plowed through the caboose of the forward train which burst into flames making it impossible to rescue Sheehan.

Hughes plunged from the engine car to the river below and was found clinging to a bridge about

COLUMBUS, Sept. 27—Gov. Alf M. Landon, of Kansas, mentioned as a possible Republican candidate for president next year, will address the annual convention of the Ohio Chamber of Commerce at Cleveland Nov. 6 and 7. Alexander Thompson, president of the C. of C. announced today.

He formerly resided at Marietta, As governor of Kansas, Landon has been credited with reducing governmental costs from \$127,000,000 to \$87,000,000 and slashing the per capita cost of government from \$14 to \$51.

GIRL, 17, CALLED IN SHERMAN TRIAL

WORCESTER, Mass., Sept. 27—Buxom, 17-year-old Esther Magill takes the stand today to testify against her former lover, Newell Paige Sherman, 26, giant Sutton choir singer, at his American tragedy trial for the murder of his wife, Alice, 22.

Miss Magill's appearance will climax the commonwealth's case which may send the largely ex-scoutmaster to the electric chair. Her testimony is intended to support the commonwealth's theory of the motive for the alleged crime.

The commonwealth contends Sherman drowned his wife, mother of his two children, so that he could marry Miss Magill.

Miss Magill tried to put on a courageous front as the dreaded hour of her witness stand debate neared.

She said:

"I'll tell everything. And I'll tell the truth. I know people will talk about me but I am not afraid."

However, she trembled at the thought of her ordeal—the ordeal of facing her former lover and the avid gossips of Whitinsville and Sutton, their home towns, and telling the secrets of their clandestine love affair.

Rosary Confident of Victory
as Landrum Drills Boys for
Hard Contest

Tiger followers were hoping against hope this afternoon as their gridiron, Jack Landrum's varsity men, were taking on a fast and hard-hitting Columbus Holy Rosary crew.

The game was scheduled to get under way at 3 o'clock with two Ohio U men, Pope and Dollings, and an Ohio State alumnus, Bob Terhune, handling the whistles. The Rosary outfit comes here with a peach of a reputation and Coach Landrum's boys, who are green in experience but game to the final whistle, will be doing their darndest to stop them. Rosary has won two games this season and is out after its third. Maybe overconfidence will have something to do with their success in this city. The Red and Black boys are not overconfident, Landrum takes care of that, and they are out to cop a victory if at all possible.

Several offensive plays handed out during the past week may have a lot to do with the outcome. The plays are wide open and demand splendid ball handling in addition to some fine blocking in the line.

The team to start today was expected to look like this:

Ends: Jackson and Hosler.
Tackles: Ruff and Weaver.
Guards: Adkins and Garner.
Center: McGinnis.
Quarterback: Freiley.
Halfbacks: Henry and Henderson.
Fullback: Jenkins.

AS CAVARRETTA SLUGGED

The Chicago Cubs defeated the St. Louis Cardinals, 1 to 0 at St. Louis Wednesday, thus winning their nineteenth consecutive game. The Bruins now need only one more game to clinch the pen-

nant. Phil Cavarretta, Cubs' 19-year-old first baseman, is shown scoring the one and only run of the game after hitting a home run into the right field in the second inning.

About This And That In Many Sports

UP TO DEAN BOYS

The Dean brothers against the world today seemed to be the theme song of Frankie Frisch's Cardinal camp—Big Dizzy was expected to start against the Cubs; Bill Lee in the first game of the double header and Daffy was booked to vie with either French or Root in the second encounter. A Chicago victory would end the league race ***.

BOTH LOOK NEAT

If rain doesn't turn the high school football field into a quarry, followers of the Red and Black this afternoon were to see two nicely outfitted teams—the Tigers will be decked out in brand new bright crimson jerseys carrying big numbers on the back, red socks, black pants and white headgear—Holy Rosary will be decked in green uniforms fitting of their Irish calling ***.

BITS ABOUT FOOTBALL

Bill Shakespeare will be lost to the Notre Dame team by graduation in 1936 . . . but advices from South Bend are to the effect his place will be taken by a freshman prospect named William Penn . . . Purdue's first football coach, Albert Berg, a deaf mute, is hale and hearty at 72 in Philadelphia.

There are bigger and better jumps on the intersectional schedule this year . . . Pitt goes to Los Angeles Dec. 14 to try to get even with the Trojans, and seems to have a very good chance to do so . . . Southern California and Utah go to Honolulu to meet the University of Hawaii eleven . . . and U.S.C. also journeys east to meet Notre Dame . . . Michigan goes to Columbia and Penn to Ann Arbor . . . Illinois goes to Los Angeles . . . University of Detroit goes to Lubbock, Tex., to meet Texas Tech . . . Colgate travels west for Iowa and Purdue . . . St. Mary's rides to New York to play Fordham . . . George Casey, Wisconsin end of several years back, recently passed an examination for the fire department in Chicago.

Coach Wallace Wade at Duke rates his quarterback Ace Parker as "a halfback who does all the things a halfback should do better than any back I ever coached" . . . which is pretty high praise, considering the slushing backs Wade mentored at Alabama.

Six members of the Four Horsemen team at Notre Dame are coaching . . . Harry Stuhldreher at Villanova, Adam Walsh at Bowdoin, Noble Kizer at Purdue, Ed Hunsinger at Niagara. Jim Crowley at Fordham, Elmer Layden at Notre Dame.

LOUIS MAY FIGHT IN MEXICO CITY

MEXICO CITY, Sept. 27—Joe Louis may fight Jorge Bresia, heavyweight champion of South America, in Mexico if plans of James R. Crofton, California promoter, go through.

Crofton today initiated negotiations through Jack Dempsey. He plans to stage the fight in the Mexico City bull ring, which holds 35,000, at an early date.

AS CAVARRETTA SLUGGED

The Chicago Cubs defeated the St. Louis Cardinals, 1 to 0 at St. Louis Wednesday, thus winning their nineteenth consecutive game. The Bruins now need only one more game to cinch the pennant.

NAILING OUR FLAG TO THE MASTHEAD

In the largest single self-contained motor car factory in the world, thousands of veteran Buick workmen have focused for two years on perfecting four new series of phenomenal automobiles, and now they offer these to the public in full confidence that they dramatically verify the traditional Buick platitude: "When better automobiles are built, Buick will build them."

ONE LOOK AT THESE PHENOMENAL FOUR AND YOU'LL SAY

"BUICK'S THE BUY!"

Convenient GMAC time payment plan.

TWO years ago Buick deliberately leveled its sights on 1936.

It coolly set its aim on bringing to market for that year a line of motor cars that would startle the world.

It purposed to do that, not by freak or superficial design, not by skimping quality to make a price, but by sheer merit as expressed in automobile beauty, value, ability.

It submits to you now the eminently satisfying results of that fruitful two years of concentrated endeavor.

Here are four separate series of sensational new Buick cars—cars called *phenomenal* by experts in the trade who previewed them.

Each is a feast to the eye schooled in mature modern styling, as you can see.

Each has under the smooth flowing planes and surfaces of its smart exterior, the solid, tough, durable, beautifully engineered chassis that underwrites Buick dependability.

And each offers you from the stepped-up power of its big thrifty valve-in-head eight-cylinder engine such safe.
